## Morning Arrangements

Dear Parents/Carers,

After half term we are going to trial a new approach to the children coming in to school in the mornings; this is to build their independence and maximise the learning time available.

From Monday the 4<sup>th</sup> June, the school gate will open at 0840. All children will be able to go straight in to their classrooms at this time, there will be no need to line up on the playground. Reception, Year 1, Year 2 and Diamond class children will enter through their outside classroom door. Year 3, 4, 5 & 6 children will enter through the Key Stage 2 corridor.

Staff will be on hand at each door to take messages and allow the children to go in to class independently. Please do not take your child in to their classroom.

The register is taken at 0850. Every class will have early morning activities that will be completed when children arrive ready to set their minds up for a great day of learning! It is important for children to attend school on time, as walking in to a classroom late can be very unsettling for them.

We will review the arrangements during the term to see if they work for everyone or if any changes need to be made in readiness for September. If you have any questions about this, please speak to me on the gate or your child's class teacher at the end of the day.

Best Wishes,

Richard Boase

Headteacher
