- 19th March— Amethyst Inspire
- 29th March— Topaz Cake Sale; End of Term 4.

Inset Day

Monday 25th
June 2018

Blue Monday—not for me!

This week was meant to start with 'Blue Monday' however seeing all the children light up as they walked in to school on Monday made sure that it was not a 'Blue Monday' for me! - even if it was raining.

This week I have spent a lot of time in classrooms seeing all the great learning that takes place. It was lovely to see parents come in for the Year 4 inspire morning. We will be continuing with the Inspire mornings until the end of this academic year.

We have now set the date of the final inset day for this academic year, this will be on Monday 25th June.

School will not be open for children on this day.

On Thursday 1st February I am holding a coffee morning, please come along, have a coffee (and maybe a biscuit) and have a chat with me. I would like to get to know you and your thoughts on Wilton and Barford.

There is also a survey available for you to complete by following [this link](#). This can be completed at any point over the next few weeks and should only take a couple of minutes.

This will really help me in planning for the future improvement of Wilton and Barford.

As always, if you would like a chat please do catch me on the playground in the mornings or afterschool.

Have a great weekend...

Best Wishes,

Richard Boase

Attendance

Attendance at school is very important for all children. If your child will be off for any reason please contact us as soon as possible.

It is also important that children arrive as promptly as possible. The register closes at 0855 so to avoid being registered as late children must be in the classroom before this time.

If you would like support or have any questions please do not hesitate to speak to the school office or our Family Link Partner, Debbie Newman.

As an extra incentive, the class who attends the best between now and Easter will enjoy a special prize at the end of the term!

Healthy Lunchboxes

At Wilton and Barford we really encourage healthy eating and an active lifestyle. We request that you limit the amount of chocolate items in a lunch box and make sure that any drinks provided are not fizzy or high in sugar. If you would like any support with creating healthy lunchboxes please follow this link:
