Dinosaur Delights!

Apologies for not getting this out to you on Friday; with our visitors here I was unable to complete the newsletter. I am not able to comment on the report yet, it will be published within a few weeks and will be shared with you then.

It was an eventful week last week (a Dinosaur and Ofsted)! All the children have been talking about the dinosaur visiting school over half term—there is even proof with foot prints left on the field! Since last Monday we have all gone

Dinosaur mad with the Sapphire and Amethyst trip to see Dippy the Diplodocus in Dorchester as well as many dinosaurs popping up all over the school. It is fantastic to see the

children so enthused about this learning theme and we look forward to sharing their

learning with you at Parent consultations on the 27th and 28th March.

Please keep an eye on the weather this week; as it turns colder, any news on school closure will be shared on Spire FM and BBC Wiltshire.

Best Wishes,
Richard Boase

Extreme Weather

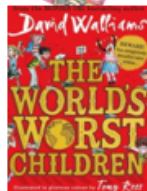

The forecast this week is high for the likelihood of snow at the end of the week. We will do whatever we can to keep the school open. As long as the site is safe, staff can get in to school safely and parents and children are safe coming to school, we will remain open. We will communicate via ParentMail as well as Spire FM if we expect to not open on any given day. Please do not call the school as all information will be on Spire FM as soon as any decision is made.
