Healthier Lunchboxes

How healthy is your child's packed lunch? It may take a while for your child to get used to a healthier lunchbox but keep trying. These tips may help:

- ☆ Get your children involved in preparing and choosing what goes in their lunchbox. They're more likely to eat it if they helped prepare it.
- ☆ Get ideas on how to introduce more fruit and veg into your family's diet.
- ☆ Read supermarket food labels to help you buy healthier foods for your child's lunch and family mealtimes.

Uniform

We are considering making changes to the school uniform for September 2017. This is due to the increasing cost of the school sweat shirt and polo shirt; and the difficulty with supply. Our initial thoughts are a plain white or blue shirt with plain navy jumper/cardigan that could be purchased from any high street supermarket or store. Plus a tie with the school logo. EYFS and KS1 could have a tie in Velcro whilst KS2 could have a proper tie. Please feedback so that your voice is heard.
