April Showers!

I hope that you managed to avoid the showers this week!

Emerald and Topaz class were lucky and managed to avoid most of the showers on Wednesday, until getting off the bus back at school!

The children had a fantastic trip and learnt a lot at Roche Court sculpture park. I'm sure

they will be excited to share this with you at our Learning Exhibition on Thursday 24th May at 1430. More information about this will come out closer to the time.

The staff at Roche Court really praised the children for their impeccable behavior and fantastic questions. They were a credit to

themselves, their parents and the school!

I would like to thank everyone for the positive messages of support we have received from parents and professionals this week. It means a lot that we have the support of the community in our drive to improve standards as rapidly as possible.

Have a great weekend!

Best Wishes,

Richard Boase

Baptism Invitation—A message from Revd. Wood

I will soon have the privilege of baptising (“christening”) one of our Y1 children – and this has encouraged me to ask if there are any other children (or parents!) in our school who would like to be baptised?

I sometimes come across parents who “didn’t quite get round to it” when their children were very small and then think that it is too late. It’s not! The fact that children are old enough to decide and to speak for themselves can actually make the occasion even more special.

Baptism is about:

Recognising that your child is precious, not only to you, but to God, and asking God’s blessing and guidance throughout whatever the future holds and in the life choices they will make.

Baptism also joins us into the worldwide “family” of the Church.

If this is something you would like to consider – as part of a school service or “privately” at church – please do get in touch.

Curriculum Overview

Today the children should have brought home a curriculum overview. This gives a very brief outline of the learning that they will be completing during the summer term. If you would like more detail, don’t hesitate to ask your child’s teacher.
