Year 6 SATs

I hope that you were able to enjoy the long weekend and the sunshine to go with it - here is hoping for much more of the nice weather!

Next week is the Year 6 SATs week and we want to wish them luck with their tests. SATs are only one measure of children's talents and the children are looking forward to showing off their acting talents with the end of year show - details coming soon.

Thank you for all the returns of the school

name and logo consultation. I will have a good look at all the ideas with the school council and put out some final logos ideas for a vote soon.

Recently we had a visit from the Local Authority to carry out a school effectiveness review. This is where the school undergoes scrutiny to ensure that it is making progress following the Ofsted judgment. I am pleased to report the local authority is satisfied that we are making

'satisfactory progress'. They were pleased with our new assessment practices and the support that has been in place so far. I will be providing a more detailed update by the end of this term.

I hope you have a great weekend,

Best wishes,

Richard Boase
